MAHAVIR HYDRAULICS PVT. LTD.

"MHPL Striving To Build Stronger Relations Globally"

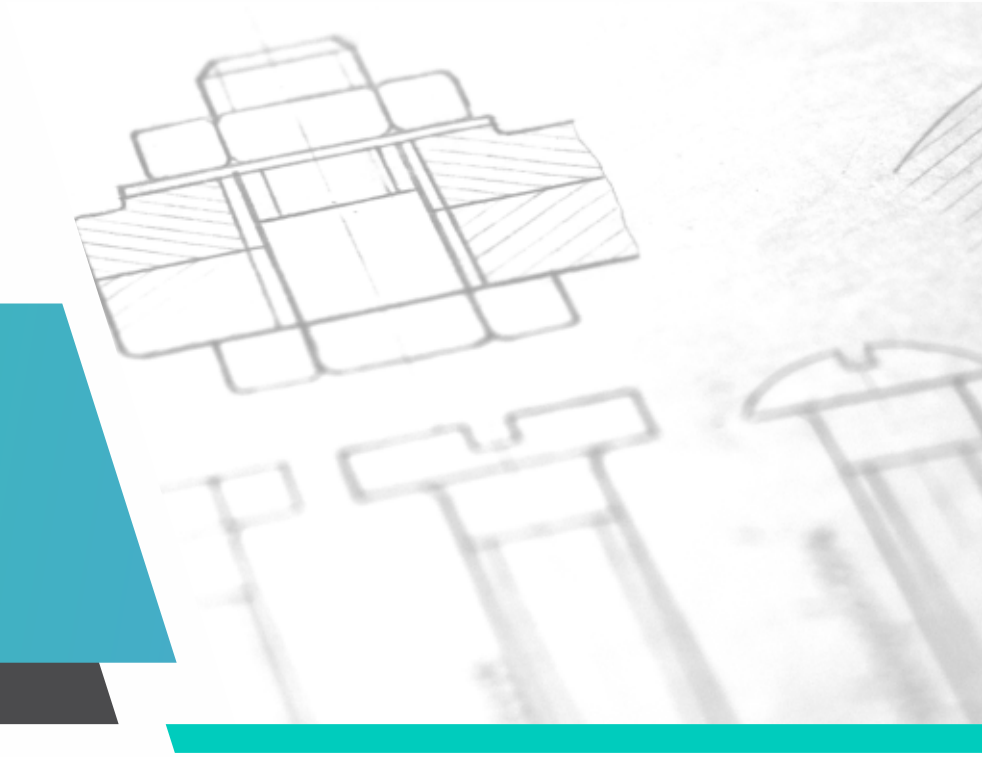

Hydraulic Tube Fittings

ABOUT US

Mahavir Hydraulics Private Limited (MHPL) is a family owned business started by the ZAVERI family, based in financial capital of India, Mumbai. Since inception, the company is acting as a channel partner to M/s. Gandhi Special Tubes Ltd, a company manufacturing PRECISION COLD DRAWN SEAMLESS TUBES having its plant setup in technical collaboration with Benteler AG, Germany.

With the increase in the demography of its customers, MHPL started increasing its product base with the aim to provide an all-inclusive solution to its customers and introduced STAINLESS STEEL TUBES, DOWTY GEAR PUMPS, POLYHYDRON HYDRAULIC VALVES, PIPE CLAMPS and other HYDRAULIC ACCESSORIES to its product catalogue.

By earning a long and enviable record in serving its customers with quality products, MHPL started manufacturing of HYDRAULIC TUBE FITTINGS and HYDRAULIC HOSE FITTINGS to cater to the ever-growing demand of various industries. MHPL manufactures various tube fittings and hose fittings including parts of special requirements in its CNC enabled plant that ensures efficiency, consistency and finishing of the highest quality. The fittings are manufactured in CS and SS material. MHPL also undertakes a 'VALUE ADDED' service in which MHPL manufactures custom made fittings as per the special requirements and drawings of the customers from various industries. MHPL has also set up a hose assembling unit by installing a Uniflex crimping (press) machine, the first in India with crimping capacity of up to 10 inches.

MHPL also has an in-house pressure testing facility that can test up to 700 BAR in static and 500 BAR in impulse pressure.

In 2011, Semperit, Austria, with a history dating back to 1824, introduced its products in India and MHPL was one of the first channel partners to one of the world's leading rubber hose manufacturer. The partnership has since then only grown with MHPL remaining as one of the leading suppliers of SEMPERIT RUBBER HOSES in the country.

OUR VISION

To become an internationally renowned brand in hydraulics synonymous to our products

OUR MISSION

To engage with the companies to develop a long term strategic alliance in India and Overseas

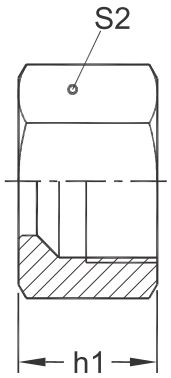

OUR GOAL

To provide best quality products and services and build an environment of understanding and trust
